Lucas Njo, M.D.

Dr. Njo is board certified in Pain Medicine, Anesthesiology, and Internal Medicine.

Prior to Pain Specialists of Texas, Dr. Njo was Associate Professor in Anesthesiology and Pain Management at the University of Texas Southwestern Medical School at Dallas and staff anesthesiologist and pain management physician at the Dallas Veterans Affairs Medical Center.

Dr. Njo completed his medical school at Temple University, located in Philadelphia, PA. Subsequent Internal Medicine training at Brown University system in Rhode Island was followed with Anesthesiology residency at University of Connecticut.

Dr. Njo is interested in chronic back pain and sympathetically mediated pain.

Our Mission

To improve functioning of daily activities and quality of life for patients suffering from chronic pain conditions.

To provide excellent customer service and treat patients with dignity and respect.

To become one of the premier pain management clinics in the Metroplex.

To provide patients and families with useful medical information regarding chronic pain conditions and treatment options.

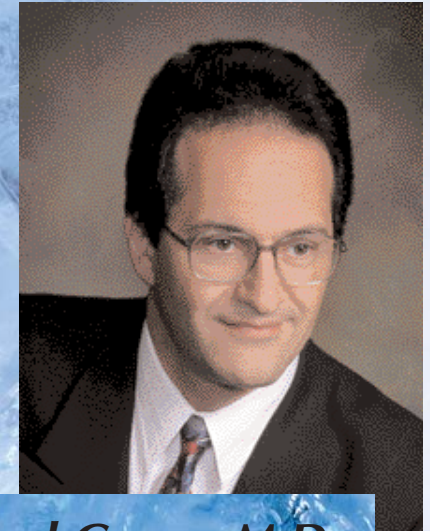

Clinic Profile

Pain Specialists of Texas, LP was conceived when two experienced pain specialists who were Associate Professors of Anesthesiology and Pain Management at the University of Texas Southwestern Medical School at Dallas decided to provide their services in a more personalized setting.

Insurances

We accept most insurances such as Medicare, Blue Cross/Blue Shield, Workers' Compensation and others.

Payment options: We accept cash, personal checks, VISA, MasterCard and Discover.

Seval Gunes, M.D.

Dr. Gunes is board certified in Anesthesiology and Pain Management.

He has been a staff anesthesiologist and pain specialist at the VA Medical Center in Dallas with an academic appointment as Clinical Associate Professor at the University of Texas Southwestern Medical School at Dallas.

After graduating from the University of Heidelberg Medical School in Heidelberg, Germany in 1989, Dr. Gunes was in surgical residency training for 4 1/2 years at the German Heart Institute in Munich and the Mayo Clinic in Rochester, Minnesota. Following anesthesiology residency at Baylor College of Medicine in Houston, Texas in 1997, he completed a fellowship in Pain Management at the University of Texas M.D. Anderson Cancer Center in Houston.

His special interests are cancer-related pain, vertebroplasties and implantable devices.
